

## **SPECIAL MEMBERSHIP MEETING UPDATE**

The Special Membership Meeting is scheduled for Saturday, March 3, in the Trade Centre at Prairieland Park, Hall E (old Exhibition grounds). Registration will begin at 1:30 p.m. The meeting will start at 2:00 p.m. sharp.

The purpose of this meeting is to discuss negotiations and, if necessary, seek the support of USFA members for job action (inclusive of a strike).

Should a job action vote be necessary, members will have the opportunity to cast their vote at the meeting. In addition, voting will be permitted on campus on Tuesday, March 6 and Wednesday, March 7 from 12:00 p.m. to 8:00 p.m. As soon as polling locations on campus are confirmed, details will be posted to the USFA website at: [www.usaskfaculty.ca](http://www.usaskfaculty.ca).

The voting will be conducted and monitored by Meyers Norris Penny, LLP. Members on paid leave or working at locations outside of Saskatoon may contact Jim Cheesman at [jim.cheesman@usask.ca](mailto:jim.cheesman@usask.ca) to arrange for an alternative means of casting a vote through Meyers Norris Penny.

We will advise members if there are developments at the bargaining table that change the necessity of seeking a job action mandate.

Please check our web site regularly.

As noted previously, childcare will be provided. Contact the Association office at 966-5609 for further details. A map of Saskatoon showing the location of Prairieland Park can be accessed at: [www.saskatoon.ca](http://www.saskatoon.ca).
